THE SKULL AND BONES SOCIETY

A new upper-class leadership honorary, “The Skull and Bones Society” was organized at the Pennsylvania State University campus on December 18, 1912. It was one of six such organizations formed in a six-year period, and it had twelve junior men as its original members. It was organized with the purpose of eliminating false pride, excessive self-esteem, and grand ideas of personal glory, and to honor humble service and unselfish leadership. It was organized by these juniors to distinguish outstanding senior men on campus, and to foster the advancement of academic and athletic interests, the perpetuation of honored traditions and the maintenance of the general spirit of Penn State.

THE SABRE AWARD

The “SABRE” Award (*Skull And Bones Recognition for Excellence*) is presented to individuals or groups who have given unselfish service and leadership to the Penn State University community and who embody the ideals of Skull and Bones: the elimination of false pride, excessive self-esteem and grand ideas of personal glory.

The Skull and Bones Alumni Interest Group Board of Directors, at their discretion, reviews candidates and chooses an honoree who exemplifies these qualifications. Consideration is only given to non-members of Skull and Bones. Greater consideration is given to those who have, in addition to the above ideals, fostered the advancement of academic and athletics interests, the perpetuation of honored traditions and the maintenance of the general spirit of Penn State.

SABRE AWARD ANNOUNCEMENT – 2007 HONOREES JOAN & WILLIAM SCHREYER

Joan L. Schreyer, a Buffalo native, was named an Honorary Alumna of Penn State in 1991. William A. Schreyer is chairman emeritus of Merrill Lynch & Co. and a trustee emeritus of the University. A Williamsport native, he graduated from Penn State in 1948.

Mr. Schreyer was first appointed to the Board of Trustees by Governor Thornburgh in 1986 and served in that capacity through 1990. In 1990, he was elected by delegates of Industrial Societies for a three-year term and was reelected for two succeeding terms. He served as Vice President of the Board from 1991 to 1992 and President of the Board from 1993 through 1995.

During his tenure on the Board, he served on all committees and was a member of the Executive Committee from 1991 to 1995. Mr. Schreyer served on the Presidential Selection Committee in 1990 and 1995; the Distinguished Alumni Award Screening Committee from 1993-1998; chair of the Corporation for Penn State from 1993-1995; Trustee Liaison with the Department of Intercollegiate Athletics from 1996-1997; and Trustee Liaison for the Campaign in 1998.

Mr. Schreyer and his wife, Joan, established the William A. Schreyer Chair in Global Management Policies and Planning in The Mary Jean and Frank P. Smeal College of Business Administration; created the William A. Schreyer Libraries Endowment in Global Management Policies and Planning; established a \$1 million Faculty/Staff Challenge Grant for The Campaign for the Libraries; contributed \$1 million for the renovation of the Schreyer House, that serves as the residence of the first families of Penn State, and with the sale of the former residence, helped establish the William A. and Joan Schreyer Endowment for the Institute for Innovation in Learning. In 1997, the Schreyers endowed The Schreyer Honors College through a gift of \$30 million. In 2006, an additional gift of \$25 million was received from the Schreyers to allow the Honors College to enhance study abroad opportunities; to focus more intensely on leadership, ethics, integrity, and civic engagement in the Penn State curriculum; to offer more competitive financial aid packages to prospective students; and to preserve the Schreyer Honors College's standing as one of the nation's best.

The title of Trustee Emeritus was conferred upon William in September 1998.

**The formal presentation of the SABRE Award will take place on Sunday,
September 9, 2007 at 11:00 a.m. on the University Park campus.**

THE SKULL AND BONES ALUMNI INTEREST GROUP

The Skull and Bones Alumni Interest Group was formed in 1996. As stated in our constitution, our purpose is to promote communication and stimulate professional interaction among our members — alumni of the Skull and Bones Honor Society. As one of a number of Alumni Interest Groups that operate under the auspices of the Penn State Alumni Association, we are a group of Penn State alumni who have a common bond arising from our University-recognized membership in the Skull and Bones Senior Honor Society.

The Skull and Bones AIG gives us a creative way to stay connected with the people we were involved with as students at Penn State. In addition, we remain involved with the active student members of the Society.
