THON 2001

Congratulations to everyone involved in THON 2001. Dance Marathon brought the cure for pediatric cancer "Within Reach" this year by raising \$3,609,830.07. There were more than 660 dancers, 2,000 student volunteers and 25,000 spectators this year. You can continue your support year round by calling 1.800.392.THON.

LISTSERVE

The AIG Board would like to announce that there will soon be a new listserv created for the AIG. This will be used for an electronic newsletter and other (infrequent) messages to alumni. Please contact James "Dusty" Tome for any other listserv issues at 1dusty@alumni.psu.edu.

LIGAMENT PROGRAM- CONNECTING BONES

The Alumni Interest Group is proud to update you on the Skull & Bones AIG Ligament Program. This program was created in an effort to increase communication and contact throughout the entire Skull & Bones Society.

We have experienced outstanding Alumni support in the second wave of the Society's Ligament requests. The AIG Board would like to thank all of our Alumni who have supported and offered to contribute to our career development program. We ask that our Alumni continue to be receptive to receiving calls from our members in hopes of providing ongoing channels for guidance and advice in shaping the career paths our Members. With your assistance this program will continue to grow and help promote communication and interaction throughout our Society. Expect some calls from your brothers and sisters!

* If anyone wishes not to be contacted by an Active Member of our Society, please contact Brad Kittsley at (814) 466-1968 or e-mail at Brad1912@psualum.com.

NATIONAL SERVICE WEEK 2001

"Change the World – VOLUNTEER!" is the theme for the 28th annual National Volunteer Week, April 22–28, 2001. The purpose of this week is to recognize and celebrate the efforts of volunteers at the local, state and national levels. Find opportunities in your community by logging on to www.servenet.org, www.nationalservice.org, or www.citycares.org. If you would like more information on where you can volunteer for National Service Week please contact Marci Fields at mamafields@hotmail.com or 202.423.6859.

THANK YOU

The AIG has received about \$1000.00 in generous donations from our Alumni. We are hoping to use the donated funds to provide seed money for scholarships for the active members and to help defray some of the costs of membership to the Society. The AIG board would like to thank those who have contributed and challenge all our members to support our current active members in their achievements and education. Further discussion of the uses of these funds will be held at the spring meeting.

The AIG Board would like to thank you in advance for your generous support as we continue to honor Penn State's finest for their outstanding service and leadership. Please send your contribution made out to "Skull & Bones AIG" attn: Brad Kittsley 110 Fairfield Drive State College, Pa 16801.
