Jodi Crombie, Dena Tarshis, Maria Demaree - from random European towns - Dena has a job with Eli Lilly selling drugs to the folks in Springfield, MA. Scott Stephan: What's up? Don't forget to visit the Brewery for us while we are away. **Kelly Maloney:** Let's plan a Penn State-Maryland reunion soon! **Judy Falce:** Do you miss us? Carl Easterling - The owners of my bar paved that paradise and put up a _ing _! But now I'm in the LCB process of buying a piece of real estate including The Brewery. A 2 level parking garage is going up in the rear. I'll be opening ASAP, maybe early May. I never got married, no one's that crazy (or sane - one crazy's envy). I have the only pond in town with ducks, swans, geese and pea fowl. I drive a 66 'vette and a 66 Harley. SO, when all you alumni are in town get over to the NEW Crazy Carl's Brickhouse Tavern (formerly the Brewery), and support my habits.

Mary Anne Eves - Tom Hesketh & Jennifer Dixon: Congratulations on your engagement! **Darian Gill:** Hey little buddy, don't you love me or ARHS anymore? I missed you at the reunion. **Laurie D.:** Trying to get to get my boss to send me to MAC Expo NYC July 17, 18, 19. I'll let you know if I'll be in town.

I'm headed to Italy in June for vacation and to visit with Judi Smith (of Parmi Nous fame)! I'm looking forward to alcohol rehabilitation when I return!!! **Greg Martin:** Now that you are settled give me a call (703-591-9485). Hope all's well with Kyle. **Mark Nowack:** What's new in PSU west? What's all this marriage stuff? Drop me a line sometime. **Doug Elliott:** I take it you're in F-111 's?
