SKULL & BONES NEWS

Lost Members - Neither I nor the Alumni Assoc. have address for the following S&Bers: Matt Baker, Dave Labuskes, Adam Levinson, Judy Shepherd, Doug Sinclair, and Mark Saba. Can any of you send in addresses for them?

It's Time for Taps - This fall the pre-tap meeting will be on Wednesday, Sept. 12, taps will be on Monday, Sept. 17, and initiation will be on Wednesday, Sept. 26. We don't have times or locations yet. If you are in State College you should be notified shortly. If you don't hear from us contact Jeff McCarty (862-7715), Stephanie Redish (862-4470) or Kelly Gibson (867-4915).

Homecoming - As is customary the new tap class will be responsible for planning and hosting the Homecoming Tailgate. All the S&B Alumni hope this year's classes will do a much better job than last year's classes did at both the Homecoming and the Blue/White tailgates. Many of us remember wandering back and forth across the parking lot during Homecoming looking for a car that never got there. In the Spring we found the car but the food and beer were locked inside and no one had the keys. Since Homecoming is so close to initiation we hope everyone in the active chapter will help plan and carry out the tailgate. Look for our Skull & Crossbones banner and please join us.

ALUMNI NEWS

Janyne Althaus - 829 Shepard Drive, Lowell MI 49331, 616-897-9524 - Medical school begins Sept. 17, 1990 for me at Michigan State University. During the summer I am waitressing in my hometown. I'm also serving on the Commission for a Responsive Democracy, a national commission formed to conduct hearings to determine what needs to be done to correct the inefficiency and corruption in U.S. government which both Democrats and Republicans seem willing to accept and participate in. One alternative being explored is the formation of a new political party to provide an alternative to the two very similar choices we have now. If anyone has any thoughts they care to contribute on today's state of affairs or the idea of a new party PLEASE WRITE TO ME!! I'm very interested in your thoughts on the matter. **John Greene:** Where the hell are you and what the hell are you doing? **Jim Phillips:** Are you still out there?

Christian Appleman - I am the new Graduate Assistant for the Women's Basketball team for the next two years. Also pursuing a Master's degree in History at PSU. plays Penn State". **T. Hesketh & J. Dixon:** Big Congrats! **Ripp:** Ditto! **Everyone Else:** If in Syracuse look me up. They really hate State up here,

Joe Battista - Attended an international hockey coaching symposium at Yale July 6-8 (during my 30th birthday!).
