Skull & Bones Homecoming Tailgate - Saturday, October 29, 1994

Brother Arnold Gasche (Class of 1952) has graciously provided us with a reserved parking space for our Homecoming tailgate. It's space #1520 just off of Curtin road by the west stands, see map below

If it rains in State College between Wednesday, October 26 and Saturday, October 29 we may not be able to use parking space #1520. If it rains call 814-863-1000, there will be a recording telling you if parking follows PLAN A or PLAN B. Plan A means we will be at space #1520, Plan B means that we will have to park in the "south reserved parking lot". We're not exactly sure where that is, but we think it might be the area across Curtin Road from the stadium where the motor homes park. If you get to the stadium and no one is parked at #1520 ask a parking attendant for directions to the "south reserved parking lot". I'll also have my phone with me so if you can't find us call me at 610-888-0741 and I'll talk you through. No excuses for not finding us this year!

Alumni News

Steve Boyd - 1884 Newton Street NW, Washington DC 20010, 202-462-0611 - I am continuing my work at the Democratic National Committee where I have been since March 1993. The 1994 elections will have me out in the field possibly in Arizona. I hope to make it to initiation before I head out or to events after November. Penn State is doing so well I'm already planning for the Rose Bowl. Look forward to catching up with you all.

Bill Cluck - 108 S. First Street, Lemoyne PA 17043, 717-763-1261 - On track for a partnership at the law firm (5 years?!). Busy with cases in New York and Pittsburgh (goin' down the road feelin' bad). Superfund and Clean Air are my primary focus. Finishing my year as chair of Philly Bar Environmental Law Committee (very satisfying -I can still railroad a resolution through with no debate.) I'm working too much, I only saw the Dead twice this summer. Yes, Sergi that was me backstage with Woody Harrelson. Traveled to Orlando last spring with Jeff Glazier to see Hook/Naginey and the Dead. Saw show with Kate Machesic (LP, USG '83). **Hook, Glazier, Cooley:** Great time at Jim Summerson's wedding. You can develop the pictures, my date is still in focus. **Mike Imm:** Sorry I missed you in Chicago. **Bob Karp:** Good to hear your answering machine. How about an update for the newsletter? **Mark Stewart:** Looking for a job in the Ridge administration? **Keirsten Walsh:** Don't be a stranger. Network, network! **Joanne Swiderski:** What's your name, how many kids, and where do you live? **Joe Martz:** Return my call, buddy! **Paul Bertalan:** Road trip?

Zaneeta Daver - 139 Thunderbird Circle, Bensalem PA 19020, 215-741-1407 - After graduation I spent the summer doing absolutely nothing waiting for my job at Strawbridge & Clothier to begin in August. I moved to Philly (from NJ) only to find out that I'm working at a New Jersey store. I'm manager of the juniors and jewelry departments in Burlington, NJ. If anyone knows of any real marketing jobs please let me know. **To everyone, especially those in the Fall '93 class that I haven't seen since I left for Semester at Sea:** Hi! Take care of yourselves.

Adam Dombchik - 1730 Barry Avenue #4, Los Angeles CA 90025-4034, 310-207-5119 - Paralegal for a worker's compensation attorney. Attending night program at Southwestern University School of Law starting August 1994. Howdy everyone! Keep your fingers crossed that come Jan. 1, 1995 I will be hosting the biggest Rose Bowl party on the west coast (of course you are all cordially invited!). LA...so far, so good! If you have e-mail drop me a line on the Internet at one of two addresses: nitanylyn@aol.com or anea38a@prodigy.com. **Waldo, Shiner, Kemp, and La Flam:** "There is going to be a hot time in the old town tonight!" I hope all is well. **J.J.:** I am 10 minutes from the beach, almost as close as your folks, come visit. **Ness:** Hope you and O'Keefe are misbehaving in Boston, I had a good time 2/94. **Heather L.:** Let me know when you escape State College. **Amy D.:** Congrats to you and Messy! I hope all is well. **Hey Tap Class of Fall '93:** I hope everyone is all right. Drop me a line soon and I hope to see everyone for the Rose Bowl! **Tom Dymek:** I expect a visit here in LA, when is that job search bringing you west? **Best wishes to all.**

Mary Anne Eves - After a great deal of research and lots of road tests, I bought a Mazda 626. A nice car, good toys, and I got the price I wanted. I would have bought a Saturn and ignored all the other brands, but when I took it out for a road test the seats were UNCOMFORTABLE. I'm still not sure if or when I'll leave BYTE. I have plans up through the end of October. I may take a short hop down the Blue Ridge Parkway and back through Tennessee, Kentucky and Ohio on Columbus Day weekend. I'll let you know if I'll be in your neck of the woods. **Mike Bowie:** Thanks for your phone call.

Jeff Glazier - 1131 N. Saint Elmo Street, Allentown PA 18104, 610-437-1138 - My wife Carrie (Brandies '80) and I are busy raising our sons Eli (4) and Daniel (2.5). Bright kids that they are, they've read all the MBA books about synergy. Thus they know that the energy (chaos) they generate playing together is logarithmically greater than either could generate on their own. Now you know why parents are always tired. Carrie is pregnant with number three and birth is expected for April 1995.

We thought this might cause some problem for Eli and Daniel and their Straight Poop Party as Eli has his eye on the presidential nomination and Daniel on the VP. At the doctor's the other day we asked the embryo what its political ambitions were. It said it wanted to be Czar for the soon to be nationwide single payer quasi public/private (kind of like PSU) health care corp. Maybe this kid knows something. Surprisingly, it said that it wants Harold Love in the marketing department so he can do more commercials. Bill Cluck is to be our consultant and lobbyist on open dates between Grateful Dead shows. The Straight Poop Party convention will be held in the summer of '96 in our sand box. The convention is open to all kids, **Sue Ferrell Troller**, make sure yours are there.

Michelle Gentile - 124 Chadd Road, Newark DE 19711, 302-738-2019 - I'm working as a product development engineer. I do a lot of materials testing right now and am also working on bringing a new product to market. I'm finally starting to feel very challenged, it was a little slow going at first. SCUBA diving, volleyball and the Delaware Chapter of the Penn State Alumni Assoc. take up my spare time. I just became president of the chapter since Mike Pirrotta left for school - I'll get even someday! Santo: How the heck are you? **Trish W.:** I'll write, I promise, soon! **Amy Dfeld:** Congratulations on your engagement! **Heather Liska:** Wow, a Fullbright! I bet they saw your picture on the Engineering magazine and were convinced. Seriously, that's marvelous! Have fun! **Waldo:** How's life?! **Kimbo:** It's been awhile, I hope all is well. **Fall '92 Class:** I miss you!

Marian Glosky Clowes - 44 South Hills Place, Parkersburg WV 26101, 301-485-4328 - George and I are now the proud owners of a 70 lb. golden retriever named Brady, our first attempt at trying "family" responsibility. We've been in WV for almost 2 years now and we are still enjoying "God's country". Jane Moyer: How are you? Give a call sometime. **John Zahor:** How is family life? **Mike P.:** Hope that Kellogg is treating you well. **Darian G.:** Where are you? Still in Philly?

Arthur Goldschmidt - 303 Weaver Bldg, University Park PA 18062 - Luke T: Glad to get a note when you were in town, but send some news to the newsletter.

Jennifer Gould - new address: 300 N. Essex Avenue #207 A, Narberth PA 19072, 610-617-3628.

Cindy "Cid" Huslin Andrews -12550 Strathmore Drive, Valley View OH 44125, home: 216-524-0818/work: 216-664-7611 - The big news is we had a baby boy, Michael Stanley was born April 11, 1994. I had decided to enjoy the summer and take some time off from work, but IBM called and I was promoted to Business Unit Executive for Higher Education while on maternity leave. Effective Sept. 1 I'm back to work full time managing higher education accounts in Ohio, Michigan, Kentucky, West Virginia, and western PA. I haven't been able to get PSU on my list, I'm looking forward to seeing everyone at the Michigan game now that I've naturally become a Big Ten fan! Please call or visit when passing through the Cleveland area.

Jessica Maldonado -1201 Sunglow Drive, Oceanside CA 92056, 619-631-7229 -I am getting married on Dec. 30, 1994 in Puerto Rico to my sweetheart Stephen J. West (PSU '92).

I am looking forward to the change, hopefully I'll be enough to return on the investment. If any S&Ber's are visiting Chicago give me a ring. **Wes Jones:** I heard you are working in Philly now. Give me a ring if you are still looking into the MBA thing and need info on Kellogg. **Joe Battista:** I'll make sure Michelle Gentile has the whole DE chapter out to root for the

Icers when they play U of O again. Good luck with the season. **Mike Bowie:** Looks like you are back in the us. I hope everything went well in Zimbabwe. **Doug Popovich:** I'll forever support Kinko's. **Jane Moyer:** I'll only use Xerox. **Gerard:** It was good to see you at the Dance Marathon. **Tom Lynch:** Congrats! I hope PW is treating you well. **Rod Hutter:** Tahoe & Whistler. See you there. **Anish, John Zahor, Marian, Craig Cuyar, Dr. Witham, Pat Conway, Switch, Kelly F., Jon Greene, Jodi H., BA, Rachel:** Hi!

Andy & Gail Johnson Rusnak -103 Pioneer Drive, Lansdale PA 19446,215-368-5440 -After 8 years in a state where Boston College is considered a serious football team, we have followed our hearts (and our heads) to a place where we can once again see real college football! Andy transferred to the Philadelphia office of Arthur Andersen in July. He's an operational consultant, which means that he travels a lot and works late hours to help companies operate more efficiently. I quit my job in financial services and went to Boston College to get a Master's in Elementary Education. Now I'm back on my soapbox and preaching the virtues of public education. I'm also teaching 26 fifth graders in the Hatboro-Horsham school district. **Popovich:** Where are you and what are you doing? Please call.

Brady Semmel -4109 Walnut Street Apt. F, Philadelphia PA 19104,215-662-1204 - I'm starting my third year of dental school at the University of Pennsylvania. This past summer I took Part 1 of the National Dental Boards and started my clinical work which I will continue for the next two years. I finished my first two years of dental school ranked #1 in my class with a 4.0 GPA. I also keep busy by serving as president of Delta Sigma Delta dental fraternity. **Sean:** Sorry I keep missing you when you're in town. Hopefully we'll get together soon. **Joe:** Long time, no see. How's everything?

Roger & Kathy Tobin Sobeck -385 Kinderkamack Road, River Edge NT 07661, 201-262-9050 -Roger is still with Cooper Electric, but he's moved closer to home. He's now the Asst. Branch Manager in Paterson, only 15 away now instead of the 50 minute commute to Linden. On the home front we had a baby girl! Emily Frances was born on August, 19, 1994. Big sister Alison, now 3 years old, is adapting to her new role in life just fine. We are working on fitting the perfect demographic suburban model: 2 children, a dog, a house (with a mortgage) and a white picket fence, and 2 cars in the driveway.

David Torrillo -1295 N. Providence Road, #E306, Media PA 19063,610-892-7168 -Became a senior accountant with Coopers & Lybrand Philadelphia office in July, should be receiving my CPA certificate in the mail any day now. Amy Tortorella -101 Fairway Avenue, Verona NJ 07044,201-857-0856 -After a very brief job search, I was offered a job with the Gilberg Agency, Northwestern Mutual Life's top agency for the past 10 years. It will be a culture shock commuting into new York City, so far my longest commute has been from W. Fairmount Avenue to the Forum. Some exciting news, I just recently returned from a five week tour of Europe with a friend from high school. From seeing Erich May at Heathrow Airport, to Richard Gere at the Sistine Chapel, I saw EVERYTHING. Since then I've hung up my backpack and have been relaxing at the beach, waiting to start working. See you VERY soon. **To everyone else lucky enough to still be at Penn State:** Enjoy Happy Valley while you can, I miss the place so much and I know how truly special it is. GO STATE!

Lynne Wilhelm Jones -780 S. West Street, Woodland Park CO 80863-8910,719-687-8608 - Working on state human services restructuring for Colorado as a "quasi" state employee, what a challenge! Paul is the Director of Residential Life at Colorado College. We moved to the mountains in July and love it. Steven is four and growing and Elizabeth, the family's comic relief, was three in September. **Lynn Dymond:** Congrats! You did it! Another degree under your belt and a law one at that! **Todd Becker:** Been thinking of you as the 10th reunion went by. How and where are you?
